I think you are very brave to do such
a play - Fantastic

Most moving & emotional with a whole
lot of talent thrown in.

I really enjoyed the experience.
The story was a true sense
of thoughts of a real
and motive experience

A very strong piece, strongly performed. I enjoyed the
detail & poignancy of it all. Well done to the performer - very engaging

THE PEOPLE, TO HAVE A PROTECTORATE IS GOOD
TO KEEP PROTECTION TO GREED, IS A SCIENCE.
